NARBERTH, PA., THURSDAY, JUNE 29, 1944.

PRICE FIVE CENTS

HERE AND THERE

by BETSY-ANN

July 4th—baseball game at 3.15. Narberth plays Collegeville. This should be quite a game as the Collegeville team has been playing very well lately. Come and bring your friends. Sunday, July 2, Narberth plays Manoa at Manoa.

Ensign Edwin Towne, Jr., son of Dr. and Mrs. Edwin Towne, spending 21 days leave with the family.

L. Com. John H. Jefferies is spending ten days leave with his family in Penn. Valley before leaving for California.

George E. Gillespie, Field Director of American Red Cross, is home for ten days from Fort Jackson, S. C.

Colonel Maitland Bottoms, of Fort Barancas, Pensacola, Florida, and his son, Albert Maitland Bottoms, a cadet at West Point, are the guests of Colonel Bottoms' sisters and brother, Mrs. White. Mrs. Toubill, Mrs. Trouman and Mr. Abel Bottoms at "Maple Hall." Colonel Bottoms and his son were ushers at the wedding of Colonel Bottoms' niece, Miss Bottoms, and son of Mrs. Dean, of East Aurora, N. Y., which took place last Saturday at the Narberth Presbyterian Church.

Mr. and Mrs. Richard Towne Ordine and their two small daughters, Barbara and Susan, of East Aurora, N. Y., were guests at Maple Hall. Mrs. Ordine will be remembered as Dorothy Bottoms, daughter of Mr. George W. Bottoms and sister of Mrs. Dean. Mr. and Mrs. Dean will make their future home in East Aurora, N. Y.

Miss Barbara Duer of Ventnor, is spending some time as the guest of her aunt and uncle, Mr. and Mrs. William S. Howard, of Narberth Avenue.

Mrs. Hugh Speed, Jr., wife of Captain Hugh Speed, Jr., is spending some time as the guest of Mr. and Mrs. Hugh Speed, Captain Speed's parents, of Chestnut Avenue. Captain Speed left recently for overseas duty.

Do you know the War Bond Booth on Haverford Avenue? It sold over \$20,000 worth of bonds and stamps since the beginning of the bond drive, June 12. Let's keep up the good work. If every little town and village works as hard as ours the bond quota will soon be reached.

By Order of the Board of Health, do not take your dog shopping—no dogs allowed in stores.

Missed anybody lately? Mightily quiet around the "Village." Bert Bell is summing at Longport. Who will buy all the chocolate drops now?

Get up an hour earlier one of these lovely Summer mornings—hear the birds sing—see what nature has put into bloom during the night—then enjoy leisurely breakfast for a change. See what a tonic it is for the coming day's work. Then before dusk walk down through Shortridge Park

Tom Cook Writes Home: Our Convoy Goes Through Gibraltar; No Encounter as Yet With 'Jerry'

Editor's Note: This is a second of a series of letters written by a former Narberth boy to his wife, the writer is Thomas Cook, of Mr. and Mrs. Ralph F. Cook, 112 Essex Ave., Narberth, and his wife, the former Monica Batchelor, daughter of Mr. and Mrs. John C. Batchelor, 308 Essex Ave. The home of the writer, who is now an ambulance driver with the 8th Army, is at King of Prussia. Before leaving with the American Field Service on April 28 he was employed in the sales department of the L. C. Hamilton and Son paper mill at Mifflin. He was graduated from Lower Merion Senior High School in the class of '33 and Haverford College, class of '38.

By TOM COOK

We are still on board our good ship, but I am not dating this letter so that I may not have a few exceptions. I have not been able to put this letter in its correct chronological position by means of the number, however. We have not as yet put in any port so probably these letters will have to be mailed when we get to AFS headquarters in Italy. That will not be for (censored) as we now calculate, and we expect to make one stop before the eleven of us leave the ship. We do not know whether we will be in that port long enough to have any shore leave, though, but of course we are all hoping for it.

Life for us has been pursuing the same pleasant, lazy pattern of the first part of the voyage, with a few exceptions. For one thing, we come to like the leisure and unhurriedness considerably, and aside from anticipating the sight of new countries and lands would be content to stay aboard for a while longer. It is certainly nice to have only four hours duty per day, and that requiring no thinking, only alertness, with the rest of the time spent in reading, playing bridge occasionally, eating, and enjoying the blue Mediterranean and the excitement of convoy. I have a real sense of guilt when I think of you at home carrying the burdens and responsibilities of home and all that goes with it.

In my last letter I wrote how Herb Mervis was transferred to one of the destroyers for treatment. We got him back a week later via the same method, only this time not in the rain, and feeling much better. The doctor said he had erysipelas, and would have been dead in a couple of days without treatment. They gave him penicillin, which he could not have gotten anywhere but in the convoy, so it is a good thing for him that he is in the AFS. He had a good time on board the American ship, but said our food is much better.

On (censored) we had a real red letter day. We had our first sight of land in (censored) days. At about (censored) in the morning we first could see the dim outline of the North African coast, and then as we grew nearer the Spanish coast became visible. As we sailed on we could slowly begin to make out the character of the land, and finally to see trees and rocks, and then a few scattered buildings. It was a lovely day, with a clear sky containing a few cottony clouds floating here and there. Needless to say the AFS unit was on deck all eleven strong, not missing a thing. I was particularly fortunate in that I was on watch from 12 till 4 and thus could view the new sights from the vantage point of the bridge, and observe all the problems connected with maneuvering the whole convoy into position in order to fit through the Strait of Gibraltar. On our right North Africa rose abruptly out of the water, and appeared bleak and barren, although beautiful at the distance because it was flooded with sunlight and appeared in soft hues of greens and grays. On the left Spain slopes more gently to the water, with mountains in the distance, possibly fifteen or twenty miles back from the shore line. The Spanish coast is lovely, and a little Spanish town, with its white buildings and lighthouse is clustered in just the right place to be picturesque with a background of mountains and a foreground of blue sea. As we slowly progressed through the Strait, through the boiling waters where the Atlantic meets the Mediterranean, we caught sight of Gibraltar. It is just inside the narrowest point, which is about 17 miles, and is on our left of course. We did not pass close enough to be able to make

\$67,875 Raised In Boro Bond Drive

Street Booth Reports Sales Totaling \$20,000

The Bond Drive report stood at \$67,875 in Narberth as of last Saturday, the end of the second week of the campaign, it was announced yesterday.

Bonds issued at the National Bank of Narberth for the second week totaled \$15,475, with \$11,475 of this figure representing sales by solicitors and the remainder, or \$4,000, being "over the counter" sales, including bonds sold by the Bond Booth.

A breakdown of the bank's sales showed \$10,275 in "E" bonds, \$1,100 in Series "F", \$3,100 in Series "G", and \$1,000 in 7-8 per cent certificates.

The Booth, in charge of Narberth's co-chairman for the Drive, Mrs. Charles B. Stout, and her staff of workers, drawn chiefly from the Women's Community Club, reported sales of \$20,000 on the 4th of July, which was nearly one-third of the total sales in the borough since the campaign began.

Plans were being made this week for a bond and stamp booth at the Community Playground, on the 4th of July, which was planned by some of the booth workers as well as some of the war brides.

Postmaster Joseph L. Kelley reported total sales of "E" bonds at the Post Office since June 1, which count in the drive—through June 27 of \$23,750, (maturity value). Some of these bonds represent ones sold by Booth workers and others direct "over the counter" sales.

Victory Gardens To Be Judged

Victory Gardens in Lower Merion Township will be judged during the coming month of July and again in September and ribbons awarded for the best gardens in each tract.

Gardens will be judged on neatness, health of plants, freedom from insects, best varieties, good planning and rotation of crops, general appearance, including tidiness of walks.

Gardeners are asked to keep down the weeds and have your gardens in a one condition!

Dr. Dillon Honored

Dr. E. S. Dillon, State and Centennial Rds., Penn. Valley, has been elected Second Vice President of the American Diabetes Association.

Dr. Dillon has served as Assistant Medical Director of the Penn Mutual Life Insurance Company since 1934, and has been associated with the Company since 1928. He also serves as assistant professor of Diseases of Metabolism in the University of Pennsylvania Postgraduate School.

Receives Honor

New honors have come to Dr. E. S. Dillon, of State and Centennial Rds., Penn. Valley. He has had the distinction of being elected as second vice president of the American Diabetes Association, which has a membership composed of the outstanding diabetical authorities in the United States.

Five County Men Receive Certificates

Certificates were awarded to five Montgomery County men at the closing exercises of the Institute of Local and State Government, held Tuesday, June 27. They are: Henry D. Harval, engineering secretary of the Lower Merion Planning Commission; Walter D. Rosenkrantz, engineer; Vernon Wynne, councilman; Robert M. Cameron, councilman; and Russell P. Toole, secretary.

This is the first in-service training program in the county, and was inaugurated by the University of Pennsylvania in the Fall of 1943.

Model Plane Show On Boys' Club Day

Members Entertained With Magic Tricks Last Friday

This Saturday will be Narberth Boys' Club Day at the Narberth Community Playground. The day's program will start at noon and will include athletic events for boys of all ages with prizes for each event. Refreshments will be served during the day.

A feature of the afternoon will be an exhibition flight of a model airplane, shown by members of the club. The planes are driven by gasoline motors and are built and flown by the boys.

Highlight of the day will be a baseball game, beginning at 6 P. M. between the Borough Boys' Club and the Main Line Junior All-Stars.

At a recent meeting of the executive committee of the club, held at the home of Otto E. Duer, chairman, it was announced that a model airplane meet will be held July 9 in Quinn's field, starting at 11 A. M. with prizes for the winners. Attending the meeting, besides Duer, were Howard Horgan, Donald Reed, John Neely and Edward McMullin, a newly elected member of the committee.

The Boys' Club met at the Legion Room on June 26, with Dave Leahy, chairman of the Junior Club, presiding. After a brief business session, John Moon, of Bryn Mawr, presented a program of scores in the club's recent baseball games were:

June 21, Narberth, 4; Natalie A. C. 1.
June 25, Narberth, 5; Mother of God, 3.

In the game against Natalie A. C. Dave Ezickson, Narberth's pitcher, allowed only one hit.

Egyptian Theatre To Have Premiere

The Egyptian Theatre which is an official agency for bonds, has already issued hundreds of invitations for this special show. Invitations, of course, being presented only to those who purchase bonds at the theatre.

Cooperation for this presentation has been obtained from the Air Raid Wardens, American Red Cross, Bala-Cynwyd Woman's Club, Bala-Cynwyd Business Association, The Neighborhood Club of Bala-Cynwyd, the Union Fire Association, the newly-formed unit of the Lions Club and various church and fraternal groups.

Invitations will be issued up to and including the evening of the performance unless the supply is exhausted before that time.

The Egyptian Theatre will be open for the purchase of bonds at any time during the day and evening and on Sundays.

Team Standings

MAIN LINE LEAGUE Sunday's Results

Narberth, 7; Brookline, 2.
Manoa, 5; Collegeville, 3.
Bartam, 3; Ardmore, 0.

Narberth With Two-Game Lead To Venture Tilt With Manoa; Brookline Hares Scare Champs

With Dame Fortune apparently safely stowed away in their bandwagon, the defending champions from Narberth on Sunday will enter the second half of the Main Line League card sporting a big two-game margin of superiority over the remainder of the league. Confident that his team has what it takes, the canny Narberth pilot, Gene Davis, will take his boroughites over to Veterans Park this week for an all-important tilt with Manoa and two days later Narberth will attempt to avenge an earlier 6-2 setback when Collegeville comes to Community Park in a July 4th contest.

The 1943 kingpins appeared to be headed for their second defeat of the season last Sunday in their home game, 2-0, against Brookline Hares. Going into the stretch half of the seventh inning, Brook-

line was in the van by a 2-1 count. Then things began to happen, and fast. Bill Ott led off with a single. Al Cotton beat out a sacrifice hit. Shortstop Arnone continued the bunting game and all hands were safe when Walt Appel booted the ball. Bill Craft lashed out with a one-base blast. Ott and Cotton denting the plate. Jim Craig sacrificed and Ollie Boyle was treated to an intentional pass. However, George Myers spoiled the strategy by hitting a single and scoring Arnone. After Ted Sobczak missed a third strike, Buddy Alker climaxed the rout with a scorching two-bagger accounting for a trio of tallies.

Chick Matthews' Manoa maulers broke a three-way tie for second place last week when they bumped the Brookline Hares.

Continued on Page Two

Requiem Mass Said For Mrs. J. F. Gleeson

Solimen requiem mass was celebrated Wednesday morning at St. Margaret's Church, Narberth, for Mrs. J. F. Gleeson, wife of Lawrence Gleeson, head of the war production drive of the Regional War Production Board.

Mrs. Gleeson died Sunday, at her home, 250 Chestnut Ave., Narberth. Interment was in St. Denis Cemetery.

A son, Lawrence, Jr., in the Army Air Forces, and a daughter, Mrs. Charles M. Brennan, Jr., also survive.

Fine Man \$100 for Dynamiting Fish

Watched Mill Creek Being Stocked With Brown Trout

Planning guilts in charges brought by Montgomery County Fish Warden Harry Z. Cole, of Norristown, Elmer Westman, 24, 155 Cricket Ave., Ardmore, was sentenced last Thursday by Magistrate Franklin P. Kromer of Cynwyd to pay a fine of \$100 and costs or to spend 100 days in the Montgomery County prison for having used dynamite to kill fish in Mill Creek on June 17, the day after the Pennsylvania Fish Commission had stocked the stream with 600 brown trout.

Westman, it was testified, had witnessed the arrival of the fish commissioner's truck June 16, as it brought the trout from the State Fish hatchery at Humsdale, Pa., and had been in the creek while employees of the fish commission and members of the Lower Merion Rod and Gun Club placed the trout in various fishing holes along the stream. Following complaints made by residents of the Mill Creek area, who heard explosions along the creek the next day, Westman was arrested for violating sections 200, 201 and 202 of the Pennsylvania Fishing Code.

Westman is employed as a mechanic at the Horsley Service Station, 929 Montgomery Ave., Narberth.

Legion Backing Red Cross Game

American Legion posts throughout Montgomery and Bucks counties are making it a point to help assure the financial success of the baseball game between Narberth's Main Line League champions and the Valley Forge General Hospital team at Narberth, July 15.

All the proceeds from the game will go to the American Red Cross Camp and Hospital Committee, Main Line Branch No. 1.

Legion Compiling Roll of Honor

The Harold D. Speakman American Legion Post is compiling a roll of honor of all Narberth men and women in the service.

To obtain the necessary information they have sent a form to be filled out by every family who has someone in the service.

The survey is being made by the roll of honor committee of the Legion post, whose chairman is D. C. Miner.

In a letter accompanying the form Miner says:

"In order to begin compiling a record of Narberth's men and women in the military service of our country, we are enclosing two copies of a form which we would appreciate your filling out in so far as possible at present, and returning one copy in the enclosed addressed envelope. The other copy will be retained by us for our files."

"It is our hope to obtain a complete service record of each World War II veteran, for two purposes: First, to use as the basis for a permanent roll of honor, and secondly, as a record of disabilities which may be involved, so that in the future the veteran may refer to this record when seeking benefits to which he may be entitled."

The American Legion is beginning to compile a public service, and asks your full cooperation, which we feel sure you will want to give in the interests of the member of your family now serving our country."

Relief Payments Drop

Direct relief payments made to needy residents of Montgomery County during the week ended today show a decrease of \$21.30 over those of the previous week. Payments for the week totaled \$581.09 which was \$200.90 less than those of the comparable week of last year.

Twelve-Year Old Nancy Slaw Wins Golf Championship

Twelve-year-old Nancy Slaw, only a few inches taller than a good-sized golf club, won the Junior-Junior Girls' Golfing Championship at the Bala Golf Club Wednesday afternoon.

Slaw, who is the daughter of Charles F. Slaw, Penn. Valley, played the back nine holes of the Bala course, to come in with a 48, 12 over par.

Despite the heat and humidity of the day, Slaw held her own for 18 holes, and in the end won by a margin of one stroke over the runner-up, who finished with a 49, 13 over par.

Nancy has close-cut, dark curly hair, weighs only 90 pounds and is four feet, ten inches tall. She is an eighth grade student at the Bala-Cynwyd Junior High School where she plays hockey, baseball and basketball.

This is Nancy's third year at play on the golf course. She usually plays at Plymouth Country Club, where she does 18 holes.

The Junior-Junior tournament is a nine-hole event for girls under 18. It is part of the Philadelphia Junior Girls' Championship Tournament, a one-day medal play. The Bala tournament is a substitute for the pre-war medal and match play which last year was held at the Bala-Cynwyd Junior High School.

Winners of the Junior-Junior event received war stamps. Non-winners were each given two golf balls by Bob Marshall and Dave Cuthbert, Bala Golf Club president. The Junior-Junior event had the smallest field which has started in the tournament since it was started in 1924.

Narberth Family Goes All Out

The Hartleys of Narberth have gone all out for the war effort. Dr. Harry Hartley, Jr., resumed his physicians practice, Young Gordon Hartley is a Seaman Second Class with the Navy in the South Pacific, and Elizabeth Hartley Stover is serving as a Sergeant with the WAVAs at Camp Harding Field, near Baton Rouge, La.

Dr. Hartley lives at 438 Brookhurst Avenue.

A. Buckley Takes Swimming Honors

Allison Buckley of St. Davids took top honors in the weekly swimming meet at Colonial Village Swimming Club. Her three first place blue ribbons and one second place red ribbon were won in Diving, 25 yd. Free Style (Junior), and Senior Classes, and the Breast Stroke. Allison established two new club records; setting a new record of 17.6 seconds in the 25 yd. free style race for Senior Girls, and bettering the previous record of the 25 yd. free style for Junior Girls which was held by Edith Leboutillier when she swam the distance in 20 seconds.

Bill Gesner of Wayne was the outstanding performer in the boys' Senior Class, walking away with first place honors in the 50 yd. free style, 25 yd. backstroke and 25 yd. breast stroke. Bill set a new record of 34.5 seconds in the 50 yd. free style race for senior boys, and his time 20.1 seconds in the 25 yd. breast stroke for boys broke the previous meet record of 23.1 seconds held by Jack O'Donnell of Penn. Valley.

Rita Cousins of Wayne was the leading performer in the Senior Girls division, winning two first places in the 25 yd. back stroke and 25 yd. breast stroke events. Rita broke a record of 24.5 seconds in the 25 yd. breast stroke bettered the former meet record of 24 seconds held by Doris Grugan of Merion.

Bob Fitzgerald of Wayne thrilled the large number of onlookers by his diving which won him top honors in the Junior Boys division.

Junior Boys, diving: Bobby Fitzgerald, Wayne, first; Joe Sklar, Wynnewood, second; Joe Sklar, Wynnewood, third.

Junior Girls, diving: Allison Buckley, St. Davids, first; Mary Anne Altshouse, Colonial Village, second; Marie Altshouse, Colonial Village, third.

Senior Boys, diving: Art Beamish, Wynnewood, first; Mike Devine, Penn. Valley, second; Mike Murphy, Cynwyd, third.

Senior Girls, diving: Bill Gesner, Wayne, first; John Murray, Ardmore, second; William Milliken, Wynnewood, third. Time—20.1 seconds (new record).

Boys, back stroke, 25 yds.: Bill Gesner, Wayne, first; William Milliken, Wynnewood, second. Time—18.8 seconds.

Girls, back stroke, 25 yds.: Rita Cousins, Wayne, first; Nancy Becker, Narberth, second. Time—20.1 seconds.

Red Arrow Lines Win Safety Award

Entirely to Employees, Says Taylor

Commending the efficiency of the men and women of the Red Arrow Lines, the Philadelphia Suburban Transportation Company, was recently awarded a silver plaque as one of five transit companies in the United States and Canada to be ranked first in the American Transit Association's Safety Award Contest.

Annual awards are given on a population basis, and the Philadelphia Suburban Transportation Company led the country for transit companies serving urban populations of 30,000 and over.

Awards were made at a luncheon meeting of the American Transit Association at the Biltmore Hotel, New York City, June 20, given to honor the workers of the transit industry.

PLANS COMPLETE FOR NARBERTH ANNUAL JULY 4TH OBSERVANCE; 'EXCEL OTHER YEARS'—CHAIRMAN

Children's Contest, Table Displays, Pet Show, Curios and Hobbies to Feature Celebration; Committees Are Announced

Mrs. Eberhardt Mueller, general chairman of Narberth's Fourth of July observance, stated this week there was every prospect that this year's day-and-evening program would be more attractive and significant than on any previous national anniversary.

July 4th Committee Invites Entries

Local residents are urged to participate in the program which will characterize Narberth's Independence Day celebration.

Committee members will be at the store of the Narberth Electric Company, Haverford and Forrest Ave., today, Friday, Saturday and Monday, to receive entries.

The contests and exhibits include: Curios and Hobbies. Pet Show. Children's Show. White Elephant Table. Antiques. Table Arrangements. Prizes will be awarded and the request is made that each local household shall be represented in one or more of the features.

Sports Events For Every Age Group

Program Under Auspices Of Narberth Business Council

There will be sporting events for all age groups at the Fourth of July observance in Narberth next Tuesday.

The program will be under the direction of the Narberth Business Council, whose president is Walter Case.

Announcement of the events and winners will be made by Case and will be at the amplifier on the Narberth Playground all day.

In the morning there will be contests for girls, 4 to 6; girls, 10 to 12; boys, 7 to 9; boys, 10 to 12; boys, 13 to 15.

There will be a Rolling Pin Throw for Women, it being assumed that female experience is to the forefront on this sort of contest. The women will also engage in a merciful 25-yard dash.

The men will run a Clothes Line Race and a 40-yard dash, which doesn't seem very far for them to run, although it may very well prove to be.

Cash prizes will be awarded the winners in all athletic contests. The first race will start at 1 P. M. sharp.

In the evening, the Harold D. Speakman Post of the American Legion will take over and their program will include community singing with music, under professional direction, a talk by a wounded veteran from the Valley Forge Hospital and a short patriotic address by another speaker. An effort is also being made to secure appropriate moving pictures.

In the lower field, morning, afternoon and evening, the American Legion Auxiliary, as in many previous years, will sell orange and lemon drinks, the proceeds to be devoted to veterans' relief and community service.

Funeral Service For Mrs. Helen B. Schoble

Funeral services are being held this Thursday afternoon at the Chapel of the Bryn Mawr Presbyterian Church for Mrs. Helen Bisbee Schoble, 42, who died Monday, July 3, at her home.

Mrs. Schoble, a former resident of Wynnewood and Bala-Cynwyd, had lived in Fort Lauderdale, Fla., for the last two years. Since 1939, she had been separated from her husband, Dr. W. H. Hoepf, by a divorce. Mrs. Schoble was a wealthy manufacturer. They had two daughters, Cynthia Anne and Helen Bisbee Schoble also survive her.

Other survivors are her parents, Mr. and Mrs. Edgar C. Bisbee, of Minneapolis, Minn., and a brother, E. Arnold Bisbee, of Villanova.

Schedule of Sports Events Narberth Playground July 4

Girls, 5 to 8
40 yard dash.
Potato race.
Marble and spoon race.
Balloon blowing contest.

Girls, 12 to 15
70 yard dash.
Jumping rope race.
Bicycle race, slow.
Bicycle race, fast.

Boys, 5 to 8
50 yard dash.
Potato race.
Marble and spoon race.
Balloon blowing contest.

Boys, 12 to 15
75 yard dash.
Wheelbarrow race.
Three-legged race.
Bicycle race, slow, 75 yards.

Girls, 9 to 11
30 yard dash.
Three-legged race.
Sack race.

Narberth With

Continued from Page 1

ed off the Superior Tube Nine from up Collegeville way. Paced by cleanup clubber Tony Strassiano who belted Harry Hallman for three hits including a double, Manoa led all the way as pitcher Walt Cantwell checked the progress of Al Truesdale. For Collegeville it was the third straight loss, and the Colonels are now perched in third place as a result of their slump. Manager Truesdale revealed the fact that he is now without the services of Col. Marshall, brilliant shortstop, who transferred his allegiance to Limeport. Pancost was moved from the outfield to fill in for Marshall, and while garnering a pair of safeties off Cantwell on Sunday, the youngster committed a trio of damaging miscues afield which did not aid the Colonel's cause one bit.

Collegeville, only club to spill Narberth to date, will attempt to again polish off the boroughites on July 4th, following a contest Sunday with Bartram. In their last meeting with the Philadelphia representatives on June 4th, Collegeville came within a hair's breadth of triumph, and since that date have failed to finish on the right side of the ledger.

Manager Alf Mueller of the Ardmore Lions is casting about for some hitters after last week's 2-0 shutout at the hands of the Bartramites. Harry Robinson and

Bob McLeod did the mound chores for Ardmore on Sunday and limited the Philadelphians to six hits, including a two-run circuit clout by Joe Krause in the fifth. In the meantime, however, the Ardmore Willows were strangely silent when the bases were populated and hits meant damage. The Lions added two more double kills to their total but Alf is becoming more and more aware of the undeniable fact that they still pay off in RBI's.

Ardmore tangles with Brookline on Sunday at Wynnewood Road Park, the loser to have undisputed right to the cellar bracket, which at present reading is shared by these two teams. Then on July 4th, Mentor Mueller and Company journey to Darby and Manoa for a holiday tiff with the Manoa Chicks.

The complete schedule for next week:
Sunday, July 2: Brookline at Ardmore, Collegeville at Bartram, Narberth at Manoa.
Tuesday, July 4: Ardmore at Manoa, Brookline at Bartram, Collegeville at Narberth.

Home Sold

Emlen and Company have sold for Edith H. Dewees the property situated 751 Millbrook Ave., Haverford, Pennsylvania, to Mr. and Mrs. Edmund H. Stines. This is a detached Colonial residence on 1 1/2 acres of land in a very attractive setting.

CHURCH NOTES

A Christian flag will be presented to Narberth Presbyterian Church Sunday morning at 11 A. M. by Mr. and Mrs. R. Clark Kennedy. Rev. Bryant M. Kirkland will receive the silk banner on behalf of the church. The evening service will be presided over by Rev. Frank Moss, pastor of St. John's Presbyterian Church in Devon. The Senior C. E. meeting this Sunday evening will be held at the Valley Forge Military Academy in connection with the youth conference there. Public welcome was extended to the following Presbyterian Service members home on furlough and present at church last Sunday: Sgt. Calvin Fritsch, Seaman Lawrence Altemus, Private Millard Winters, Ensign Eleanor Weld, Lt. Raymond Kelly, Lt. Commander John Jefferies, Jr., Lt. Haysen, a guest.

Corporal Loyal Graham arrived in time for the evening worship where he and Sgt. Fritsch shared the service with the pastor. Both men are chaplains assistants—one in the infantry and the other with the air corps.

Plans Complete

Continued from Page 1

Borus C. Best, Mrs. Franck C. Stiesel and Mrs. Howard White. St. Margaret's Church — Mrs. Robert Reithmiller, Chairman, assisted by Mrs. Joseph Rowan, Miss Katherine Rowan, Mrs. Ernest McKenna, Mrs. Joseph Murphy, Mrs. Raymond A. Cabrey, and Mrs. James Cushman. Girl Scouts — Mrs. Samuel Read, Chairman. The Girl Scouts will sell American Flags and in addition will act as the general service group of the occasion.

King's Daughters — Mrs. Fred Derby, Chairman, and Mrs. Etta Walker, Co-chairman, assisted by Mrs. J. T. Darlington and Mrs. Frank Dubois. Mulieres — Mrs. Joseph White, Chairman, assisted by Mrs. Laura Altemus, Miss Katherine Lafean, Mrs. Ralph MacGuffin, Mrs. J. A. Gaesler, and Mrs. Carl Grace.

Narberth Volunteer Emergency Relief — Mrs. Harbison and Mrs. Elfred Peeney, Mrs. Chester Jones, Mrs. George Gilpin, and Mrs. Charles Hasle. Needlework Guild — Mrs. John Caldwell, Chairman, and Mrs. Elfred Peeney, Assistant Chairman, assisted by Mrs. J. Q. Mackey. P. T. A. — Mrs. R. M. Weisman and Mrs. Harry Nelson, co-chairmen.

Posters — Mrs. Franklin Hutchinson. Publicity — Mrs. Robert M. Cameron.

War Bonds and Stamps will be sold under the supervision of Mrs. Charles B. Stoudt, co-chairman of the Narberth Fifth War Bond Drive.

Order of Day

The program will start in the morning at 10 o'clock with the Pledge of Allegiance to the Flag, under the auspices of the local D. A. R., which will be followed immediately by the singing of the Star Spangled Banner. The committee urges the attendance at the Playground of all local residents and it stresses the fact that there will be an ample supply of well-prepared food, affording housewives a welcome relief from the necessity of home cooking on the holiday.

Also it is recommended that every household in the Borough should participate in one or more of the various contests, and exhibits. The program has been prepared to attract general cooperation and it is asserted that there is something or other in every Narberth home which can be utilized for the best fulfillment of a whole-hearted neighborhood acclaim of the Nation's Birthday. And, of course, in the afternoon there will be a ball-game, when the banner crowd of the year may be expected.

One Case of Spotted Fever Reported

The Board of Health of Lower Merion Township reported 8 new cases of Chicken Pox, 1 new case of Measles, 17 new cases of Mumps, 1 new case of Rocky Mountain Spotted Fever, and 2 new cases of Scarlet Fever, for the week ending June 23.

The Vander Veur Boys In New Zealand

Pfc. Waldo B. Vander Veur, Jr., U. S. Marine Corps, and Quartermaster 3rd John Vander Veur, U. S. Navy, are the sons of Mr. and Mrs. Waldo B. Vander Veur of Barr La, Gladwyne. This picture of the brothers was taken in New Zealand several months ago.

Both boys enlisted on December 8, 1941, the day after Pearl Harbor, and both saw active service in the Guadalcanal campaign.

After spending some time in an Australian hospital following

a severe bout of malaria fever, Waldo is back on duty in the South Pacific. John, who is now stationed on the West Coast, was home on furlough after 20 months in the service, but his brother has so far not been so lucky.

Gloria Swanson in Bucks County Show

Gloria Swanson, newly bedecked with gowns by Valentina and hats by John Fredericks, returns to the Bucks County Playhouse, in the Bellevue-Stratford Hotel in a new comedy, "A Goose for the Gander," which opens Monday night, July 2. Co-starred is Ralph Forbes.

Written in tongue-in-cheek fashion, the play deals with the domestic tussle of a young couple, portrayed by Miss Swanson and Mr. Forbes which has its origin in the unexpected return of the young wife to her home, where she finds her husband having breakfast with a sweet young thing.

In addition to the usual performances there will be an extra holiday matinee on Tuesday, July 4th.

4 Main Line Men Prisoners Of War

First Lieutenant Alvin B. Kocher, son of Paul V. Kocher, Sr., of 123 Walnut Ave., Ardmore; 2nd Lieutenant James A. Morris, brother of William Morris, of 148 Grandview Rd., Ardmore; 2nd Lieutenant Phineas W. L. Christie, son of Mrs. Louise Christie, of 49 Morris Ave., Bryn Mawr; and Sergeant Leland N. Gibbs, Jr., son of Leland N. Gibbs, Sr., of 129 Linwood Ave., Ardmore, have been listed as prisoners of war.

and watch the victory gardeners at work. Those victory gardens are well worth seeing.

Summer reading always seems to be in a lighter vein—but then we have "Lost Island" by James Norman Hall, which is fast gaining in popularity. It is the story of a Motu, a pin head of Polynesia drowning in the Pacific untouched by war. That is until the Seabees and bulldozers convert the stoll into a coral carrier for American bombers.

"Army of Shadows" by Joseph Kessel is the story of the French

Underground. "Joseph the Provider" by Thomas Mann is the fourth and last volume of Thomas Mann's great tetralogy. "The Firing Squad" by F. C. Weiskopf, tells of six German soldiers who are detailed to form a firing squad in Czechoslovakia. It is the story of their friends, mistresses, relatives and ferocious adversaries.

There are some new mysteries, too: "Murder by Treason," by Amella Reynolds Long; "Symphony in Murder," by Amella Reynolds Long; "Shed a Bitter Tear," by H. F. S. Moore; "Dog Watch," by Carolyn Coffin; "Unneutral Murder," by Hubert Footner; "Button, Button," by Marion Bramhall.

Soroptimist Club Installs Officers

Grace Fuller Is New President; Dinner Given June 21

The new officers of the Soroptimist Club of the Main Line were installed on Wed. evening, June 21st at a dinner given at the Haverford Court Hotel, Haverford. Master of ceremonies was Dr. Elsie Curtis of Ardmore. The invocation was delivered by Henrietta Wheeler of Wayne. Louise Sharpe of Cynwyd sang The Lord's Prayer by Malotte. Villalby by Anna DeLaqua and Caro Noma by Verdi. The accompanist was Elizabeth Gillespie. A very interesting talk on the latest news of the day was given by Katherine Clark, radio news commentator. Martha Servis, Executive Secretary of the American Federation of Soroptimist Clubs installed the following officers: President, Grace Fuller, Wayne; 1st Vice President, Mildred Minkus, Ardmore; 2nd Vice President, Lynda Galloway, Ardmore; Treasurer, Velma Jacques, Ardmore; Corresponding Secretary, Esther Robinson, Wayne. The retiring President, Mae West, of Ardmore, will remain as a director on the board for three years.

The new president, Grace Fuller, received the President's Pin and Mae West was given a traveling case by members of the Club in appreciation of her services as president.

The members of the committee in charge for the evening were Henrietta Wheeler, Anna Myers and Jean Stineman.

DAILY DOZEN

Prepared for the Local Health Board by the Medical Society of the State

Chinese medicine has flourished for thousands of years. China had hospitals long before other nations. They vaccinated for smallpox centuries before Jenner. They knew of blood circulation 2,000 years before Harvey. Chinese doctors taught the world massage and hydropathy. They introduced chaumooagria oil in treating leprosy. They pioneered in treating beriberi and other diseases. Chinese doctors have made contributions to medical science. Chiefly in the field of medicines derived from herbs. They have treated thyroid diseases with iodine. Western medicine is now being utilized in China. The Chinese have been wise, medically, for many ages.

Farming is a hazardous occupation. It has the highest accidental death rate among occupations. Mechanization of farm work has increased the dangers. There is also a natural misfortune in wait for farmers. It is scientifically known as chronic actinic dermatitis. This is the speeding up of the aging of the skin. It is due to exposure to the ultra-violet rays of the sun. Some persons are more susceptible than others. Especially those with reddish hair and a tendency to freckle. The skin becomes dry, wrinkled, and cracked. Scaly growths known as keratoses appear on hands and neck. If permitted to grow, they sometimes become cancerous.

Hay fever is not caused by hay and there is no fever. There are 5,000,000 hay fever victims in this country. Victims annually lose an average of 2 or 3 weeks' time. Hay fever is caused by a pollen from flowers, trees, weeds. Sufferers are susceptible to some one of these pollens. Similar allergic conditions are caused by other factors. Contact with wool, silk, chemicals, furs, affects some. Certain foods produce unfavorable conditions in many. Another group reacts unfavorably to injections of serum. There is some relief now offered to hay fever victims. Susceptible persons are desensitized against offending pollen. Sixty per cent of Americans have allergic reactions.

Each year more than 3,000 Pennsylvanians die of diabetes. Diabetes is not curable, but it is controllable. The diabetic patient may live his full life in comfort. He may continue his work and activities. He may withstand medical and surgical emergencies. All this is made possible through the use of insulin. Insulin treatment controls the symptoms and the disease. In diabetes, the body does not use sugar taken in with food. Sugar accumulates in the blood above the normal amount. Insulin is a product of the normal pancreas. Insufficient insulin produced in the pancreas causes diabetes. Artificial insulin assists in regulating the body's sugar.

Jr. Police Duties To Start July 10
More than 200 youths who have been accepted into the Haverford Township Junior Police Organization will be sworn in on July 8th in the auditorium of the Haverford Township High School, at which time they will receive identification cards and later will be presented with badges. An outstanding member of the Federal Bureau of Investigation will address the assembly at this time. Plans for the affair were made at a meeting of the organization held Monday evening in the Police Headquarters presided over by George W. Hill, Jr., chief of the organization.

HIGH NOTES

By DAVID MALICKSON
Class of 1945, Lower Merion High School

PASSING IN REVIEW (Con't.)

Lower Merion's student donated 1,800 coat hangers to the Valley Forge Hospital during a drive sponsored by the Red Cross Club on March 9 and 10. The Ellem Gymnastic team, coached by Henry A. Drummond, won the State Championship title at Altoona on Friday, March 24. A Student Variety Show was presented in the auditorium on March 29, the admission to which was ten flattened, tin cans. General Henry H. Arnold, Chief of the Army Air Forces, spoke to the students during half-time of the Lower Merion-Bartram Basketball game on March 31. Helen Ester, Dick Boswick, Ruth Gillespie, Joe Williamson, Frances Flint, Bob Oliver, Joyce Hodgins, Albert Van Hosen were appointed to a committee for the re-organization of the handbook, by the vice-principal. Marion Schindler and Ellen Vogel headed the all star student cast which presented "George Washington Slept Here" on the evenings of April 28 and 29. Forty-eight students were inducted into the National Honor Society on Friday, May 5. The enrichment staff under the editorship of Dave Stewart published an excellent yearbook under the direction of Mrs. Margaret Hay, which was distributed to the students who had subscribed to it, on May 26. Don Palmer was Ivy Orator at the annual Ivy Day exercises held this year on May 31 at 10:30 A. M. Students returned to school on June 14 to receive their report cards following a three-day vacation during which the teachers made out final marks and began the task of forming next year's schedules.

This column brings to a close the second year that High Notes has performed the weekly service of keeping the students, parents and friends of the school up to date on the latest happenings of this institution. Publication of this column will resume in the Fall when school re-opens (September 6).

Whether at the seashore, mountains or at home, buy as many War Bonds and Stamps as possible this Summer. If everyone would do this, and go all out to win the War in '44, then this publication is resumed in the Fall, it is quite plausible to believe that the war in Europe will have ended.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode

WFB urges that all old clothes and rags stored away be turned in. They're needed to meet roofing requirements for military structures and for home and farm buildings.

The list of dried foods continues to grow—spinach has now been added.

OPA statisticians say shoe rationing must continue for a while after the war ends. U. S. and British hide stocks were about used up last year. Exports from South America will decline in '44. With the oil shyness to polish and preserve your leather shoes, you're saving leather, time and money.

Meat dealers say: "Eat more bacon." Try a few pieces on your casserole of scalloped potatoes or lima or kidney beans. They will cook nice and crisp in about five minutes and will add much to the flavor.

Crocheted hat and bag combinations are smart for summer wear. They're quite easy to make and much cheaper than those you can buy at your favorite store.

Here's a hint to make your salads better. Whether you serve real mayonnaise or french dressing be sure that the leaves of your salad greens are dry. The dressing sticks and adds more flavor.

The drastic shortage of paper containers is getting worse. Help your grocer by carrying a market basket if you have one. Or maybe an old knitting bag will do.

Waves Seek 100,000 Optimists Are Told

Service Club Members Asked to Aid

THE WAVES hope to have an enrollment of 100,000 by the end of this year. Lt. (j. g.) May Herrmann, of the office of Naval Procurement in Philadelphia, told members of the Main Line Optimist Club at their weekly luncheon on Tuesday at the Manna Bar.

Lt. Herrmann, who was formerly assistant to the Dean of Women's Medical College, said the original goal of the Women's Reserve in the Navy was 10,000 enlisted women and 1,000 officers. At that time, she said, the only positions considered open to women were those of the Naval equivalents of secretaries, bookkeepers and radio operators. Today there are more than 250 jobs open to women in the Navy.

She asked the cooperation of all members of the Optimist Club and their wives, the Optimists, as well as members of the Main Line Soroptimist Club who attended the luncheon to try to interest women, particularly young girls in joining the Navy.

"The younger they are, the more they'll get out of the experience," she declared, "and they'll come back just the same girls that went in, except that they will be bigger and finer women for the experience of service. But they won't be 'bad' or masculinized as some people seem to fear."

Lt. Herrmann was introduced by Captain E. W. Bonaffon, president of the club. Among the club's guests of the day were two former Optimist Juniors, Seaman 1/c Michael Chincetti, now stationed at Bainbridge, Md., and Pvt. Robert McGoldrick, stationed at Camp Meade.

A Craig Boyd announced that a fishing party was scheduled for July 5. The party will leave Ed Strubach's house at 5 A. M.

ANSWERS for Victory Gardeners

What Are Plant Lice That I Hear So Much About?

Plant lice is the term used commonly when referring to aphids. They are called plant lice because they cling to the plant like lice and live by sucking juices from the tender shoots, leaves and soft bark. They remain practically stationary after they once settle and give birth to young at the rate of 8 to 10 per day. These young are ready to do likewise in about two weeks. You can see how they multiply. Only the fact that nature destroys the aphids in huge quantity prevents their doing untold damage.

Where Do Plant Lice Come From in the First Place?

Plant lice or aphids have a peculiar way of starting their first generations in the spring. They hatch from eggs which have been hidden away on trash or in other safe places over winter. The first generation that hatches can fly and spread about on favorite vegetation. The next generations are born without wings and continue on their host plant, giving birth to new generations.

You can begin to see why we recommend clearing up the garden late in the fall or very early in the spring, burning all trash and other material that might be used as a hiding place for aphid eggs and other insect carry overs.

Are All Garden Plants Attacked by Plant Lice?

Just as there are many kinds of butterflies so there are many kinds of aphids—they are even of different colors. Some are black, some rose colored, some green. There is an aphid for almost every plant you will grow in the garden, and every aphid is a heavy feeder, or we should say a heavy drinker, for he is a sap sucker and his food is

taken in liquid form through his snout, which is especially built for the purpose.

Is Aphid Damage Really Serious?

Aphids can be terribly destructive. Scientists have counted in the neighborhood of 25,000 individual aphids on a single tomato plant. If you had 25,000 mosquitoes sitting on you night and day, constantly drawing blood, it would be a severe drain on your system. Your garden plants find this same drain on their life blood which is the sap.

Is There Any Other Damage From Plant Lice?

The plant louse or aphid, as we have said, operates by sucking his snout into the tender tissues of any part of the plant he can penetrate for the purpose of withdrawing sap. There is in the saliva of the plant louse an irritating substance that will almost ruin a crop.

How Can Plant Lice Be Controlled?

Black Leaf 40 is death to plant lice, which it kills not only by contact but by fumes which arise under the foliage from the spray. You can spread all the lead arsenate you wish on the surface of the plant and yet do no harm to plant lice. They simply drill through and draw the fresh sap from beneath with their snouts. A contact spray is needed.

Services Held For Mrs. Margaret Clarke

Funeral services for Mrs. Margaret M. Clarke, of 2919 Morris Road, Ardmore, who died Sunday at her home after a month's illness, will be held at 2 P. M. Wednesday from 1820 Chestnut Street, Philadelphia. Burial will be in Laurel Hill cemetery.

Mrs. Clarke was the wife of the late Herbert A. Clarke, an engineer for a New York firm. She had lived in Overbrook until eight years ago and was active until recently in the Overbrook Woman's Club. She also was a former member of the Main Line Musical Club and the New Century Club. Surviving are a son, Herbert, of Merion, and three sisters.

Get Your Degrees

The following men from this area received degrees at Yale University's 243rd Commencement held in Woolsey Hall, New Haven, June 22.

Joseph G. McCabe, 3d, (B. A.), of Ardmore; Eckstein, 4th, (B. A.) and Edwin L. Dale, Jr., (B. A.) both of Haverford; David W. O'Brien, (B. A.) Rosemont, and Ludwig C. Lewis, Jr., (B. S.) Villanova.

To Open 2d Link in Industrial Highway

Traffic to Start On New Section On July 8

Only one part of Delaware County's Industrial Highway will be missing when the second section under construction is opened to traffic July 8.

The second section extends from Wansmaker Ave., Essington, to Airport Circle, Philadelphia. It will give war workers a four-lane highway from Baldwin Locomotive and General Steel plants at Crum Creek through Essington, across Tinicum Marshes and direct to the Passunk Ave. bridge over the Schuylkill River, which is ten minutes from the center of Philadelphia.

The first section of the Industrial Highway, which has been a project of Delaware County officials and legislators for years, was opened February 24. The Industrial Highway, which is being constructed by the State without any cost to the county, is the largest state road building project ever undertaken by the State Highway Department in the county.

According to D. C. Slackpole, State Highway Department engineer for this area, the remaining section will be built as soon as road materials are available. This will extend from Chester to Crum Creek and involve the construction of two bridges, one over Ridley Creek and the other over Eddy-stone Ave.

Canuso and Sons and the Seaboard Construction Companies, road builders, are working on the second section of the Industrial Highway. Delaware County was saved condemnation costs in connection with construction of the Industrial Highway, by bill introduced at the last session of the State Legislature by Arthur P. Brethrick, former State representative and now register of wills and chairman of the Republican County Executive Committee.

Lt. Plattenburg Listed Missing

Lieutenant William S. Plattenburg, Jr., son of Mr. and Mrs. William S. Plattenburg, of 636 Country Club La., Manoa, is reported missing in the Asia Sea since June 15th, according to word received Thursday evening from the War Department.

Lieutenant Plattenburg, who entered the service October 19th, 1942, received his commission at Boca Roton, Florida, the following year and has been overseas with the Air Force for several months. Mrs. Plattenburg, Jr., and their 13-month-old daughter, Ruth Ann, are in Englishtown, N. J., with her parents, Mr. and Mrs. Roy Kershner, formerly of Manoa.

Get a Position with a FUTURE!

TELEPHONE SERVICE is vital to the war effort. And it is necessary in peace-time, too.

When you learn a telephone job, you acquire a skill that will help win the war and still be needed after Victory.

For steady work, ideal surroundings, congenial associates and opportunities for self-development, you can't do better than a job with Bell Telephone.

We have the kind of job you'll enjoy—and it's probably near your home. No experience necessary. Call your Chief Operator for an appointment—or come in and talk it over with one of our friendly interviewers at—

1631 Arch Street, Philadelphia
or Room 315, McClatchy Building, 69th and Market Sts., Upper Darby
Bring birth certificate or other proof of citizenship
